

2021 VISION: "The second is on Fy" 🗨️

**Glorifying the Savior/Sovereign
Edifying the Saints
Horrifying Satan**

"I would that you were either hot or cold"
Revelation 3:15

When Jesus spoke to the seven churches of Asia Minor, He gave them both commendations and recommendations as to the state of the church and it was to the church at Laodicea, he spoke the words. *"I know your deeds, that you are neither cold nor hot; I would that you were either cold or hot"*

The varying temps described the effect of the church. Hot described the purifying fervency and cold described the refreshing fervor. Luke warm defined neither

The church on fire "Fy", Is tempered with the fervency of the Spirit of God and able, to have an effect on its locality and community.

The spirit of fervency will display the intensity and intentionality that's needed to make our good church a great church.

In 2021 our church seeks to be tempered with the fervency of God so that we might have a refining effect on our locality and Christian community.

The vision and direction of displaying the fervency of God's spirit will be displayed in three critical and intentional areas of focus: Glorifying the Savior/Sovereign, Edifying the Saints And Horrifying Satan.

(Each critical and intentional areas FY will be declared and the efforts defined)

Glorify the Savior/Sovereign

(Let God shine in our corporate Worship and communal Work)

-greater intensity in Worship
-greater intentionality of Works according to Matthew 5:16

Edify the Saints

(Lift and build up the Saints through Discipleship and Fellowship)

- greater intensity in fellowship groups (increase passion and relations in Small groups and demographic groups)
- -greater intentionality in building the Saints up in faith, spiritually, through discipleship efforts (conferences and classes)

Horrify Satan

(Advance the Kingdom of darkness with the Kingdom of God)

-Attack the social ills of our society with greater intensity: Fatherlessness, homelessness, and Lostness, ignorance, indifference, imprisonment and disenfranchisement

-intentionally become a recognizable and irrefutable force for God in the community!
